

## This is a Hybrid PDF

It's written in a non-standard font (Segoe UI) that will need embedding. And it has a table of things.

Tom Forth	@thomasforth	<a href="mailto:thomas.forth@gmail.com">thomas.forth@gmail.com</a>

And also an inserted image,

And a link to [the W3C Community Group where we're looking at how PDFs can work better with data](#).
